

CONDUCT THAT IS DEFINED AS SEXUAL ABUSE BY WISCONSIN STATUTE

- **Sexual intercourse or sexual** contact (consent is not a consideration)
 - with a child by the child's foster parent, subsidized guardian or interim or successor guardian

 - with a child placed in substitute care, by a person who works at, or volunteers at, or has a responsibility to manage the facility where the child is placed

 - with a child who receives direct care or treatment services from certain organizations or facilities regulated by the Wisconsin Department of Children and Families (child welfare agency, shelter care, child care center, group home, residential care center, etc.), by an employee, volunteer, licensee, or non-client resident of the organization or facility

 - with a child who is on probation, parole, or extended supervision by a probation, parole, or extended supervision agent who supervises the child, or an agent who has attempted to influence the child's supervision

 - with a child who is confined in a correctional institution, juvenile correctional or detention facility, etc., by an individual who works there, including a volunteer

 - with a child who receives direct care or treatment services from a facility, organization or service that is regulated by the Wisconsin Department of Health Services, including a hospital, home health agency, etc., or from an agency that employs or contracts with an individual to provide personal care services, or from a state treatment facility, by an employee, licensee, or non-client resident of the facility, organization or service
