

WiLearn YJ Program

Community Huddle Readiness

Supervisors tracking progress of the Foundational Elements can use the following **percentages** to determine where the learner is at in their online learning packets. These percentages are the benchmarks for each stopping point prior to a community huddle.

Culturally Responsible Practice

- 15%: Ready for first community huddle
- 43%: Ready for second community huddle
- 72%: Ready for third community huddle
- 86%: Ready for post-test

Trauma Informed Practice

- 15%: Ready for first community huddle
- 43%: Ready for second community huddle
- 72%: Ready for third community huddle
- 86%: Ready for post-test

Engaging Families

- 15%: Ready for first community huddle
- 43%: Ready for second community huddle
- 72%: Ready for third community huddle
- 86%: Ready for post-test

Case Practice with American Indian Tribes

- 34%: Ready for first community huddle
- 67%: Ready for second community huddle
- 84%: Ready for post-test

Demo video on tracking progress on PDS Online: <https://btnt.short.gy/NttnlD>

Note that this video demonstrates monitoring for WiLearn and is not specific to YJ. **The process is the same.** Some versions show a pie chart rather than a bar to display percentages, but the benchmark numbers above are accurate.
